

AUGUST VOLUNTEER OF THE MONTH

KATHY ABBOTT

What I like best about volunteering at Colony Cats:

What I like best about volunteering with Colony Cats is fostering my beloved kittens and finding them such awesome homes! It is my paycheck.

My pets at home:

I have three adult cats: **Hank** is my heart. He has CH (cerebellar hypoplasia) and has seizures. It's like raising Curious George! **Cali** was going to be destroyed at Capital Area Humane Society at the age of 5 weeks. Now she's living the good life. **Dior** is my greatest success. He is blind and has no eyes, yet he functions as normally as any other cat with eyes. I also have one dog who is a failed foster, and my outdoor colony of nine cats.

What I'd like you to know about me:

In my first year with Colony Cats I have fostered 75 kittens - 69 of which have been adopted to date.

Where you can find me when I'm not volunteering for Colony Cats:

I manage a deli/bakery for Kroger, and spend my day off with my three amazing grandkids.

Dogs or Cats Rule?:

Both cats and dogs rule my world. Poor husband!

What's your advice to a new Colony Cats volunteer?

Make time every day. Make room in your home and in your heart. Make friends to share with along your way!

Your unique Q&A, thoughts, or favorite saying:

How many times have you said I love you and kissed your loved ones today?
