## WHY microchip your pet?

Your cat or dog's microchip gives your pet the best chance of returning home to you if they are lost. Microchips last for the life of the pet and provide permanent identity in case their tag or collar falls off. Register your pet's microchip with your contact information and you will be contacted when your lost pet is found.

**DOGS** MUST be leashed.

**CATS** MUST be in carriers.
