

OCTOBER VOLUNTEER OF THE MONTH

CLARE LEVENSON

What I like best about volunteering at Colony Cats:

Helping all the animals that can't help themselves, and seeing them enter the adoption center after being ill.

My pets at home:

2 Dogs: Pancake and Thor

2 Cats: Phineas and Petal

What I'd like you to know about me:

I came over to America by myself at 20 to be a nanny, and met my husband over here. We have now been married for 20 years and have 3 kids

Where you can find me when I'm not volunteering for Colony Cats:

In the car playing Taxi to my kids or at home doing a project of some kind.

Dogs or Cats Rule?:

Cats. I love my dogs, but I'm a cat lady for sure!

What's your advice to a new Colony Cats volunteer?:

Don't be afraid to ask questions and do as much as you feel comfortable doing. Any help is helpful.

Your unique Q&A, thoughts, or favorite saying:

I work with the thought of 'it's never not my job.' If there is something to be done, do it. It will most likely make someone else's job a little easier.

Also, just be kind. Everyone is here volunteering their own time and some days can be harder than others.
