

FEBRUARY VOLUNTEERS OF THE MONTH

JON and JORDAN

What we like best about volunteering at Colony Cats:

Our favorite thing about volunteering at Colony Cats is being able to help and spend time with cats that need us!

Our pets at home:

We have 6 cats at home, 5 of them are Colony Cats alumni! – **Evee, Ivy, Porkchop, Biscuit, Freya, and Sweet Pea**. We also have two dogs that are pomeranian mix brothers named **Frank** and **Beans**. Last but not least, we have our 5 year old tortoise named **Mochi**.

What we'd like you to know about me:

We have big hearts, but low tolerance for stupidity!

Where you can find us when I'm not volunteering for Colony Cats:

When we aren't at Colony Cats you can find my dad napping at home on the couch or painting at his day job. I am usually working as a self employed nail tech at my nail studio or also napping on the couch. We are very similar people!

Dogs or Cats Rule?:

Cats all the way! (Obviously all animals are great but cats are top tier!)

What's your advice to a new Colony Cats volunteer?:

Do not be afraid to ask questions! Making sure that the cats have what they need from us as volunteers is the most important. Always be thorough with cleaning and taking notes! Volunteering is not always easy, but we do it because we care.

Your unique Q&A, thoughts, or favorite saying:

If you love cats and have extra time on your hands please consider volunteering with us at Colony Cats! It is a great organization run by passionate people that love cats. The feeling of being able to help helpless animals is a feeling indescribable!
